Fantasma a scuola

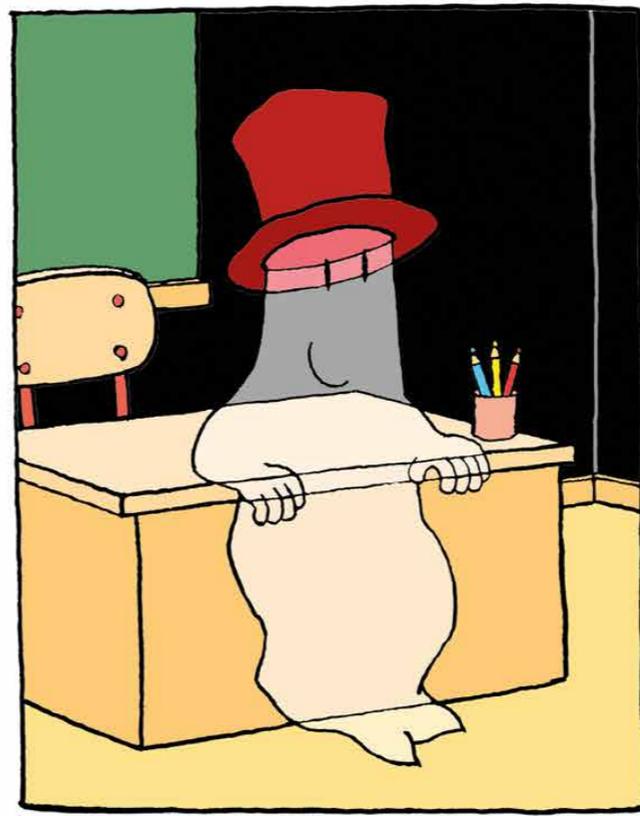

JACQUES
DUQUENNOY

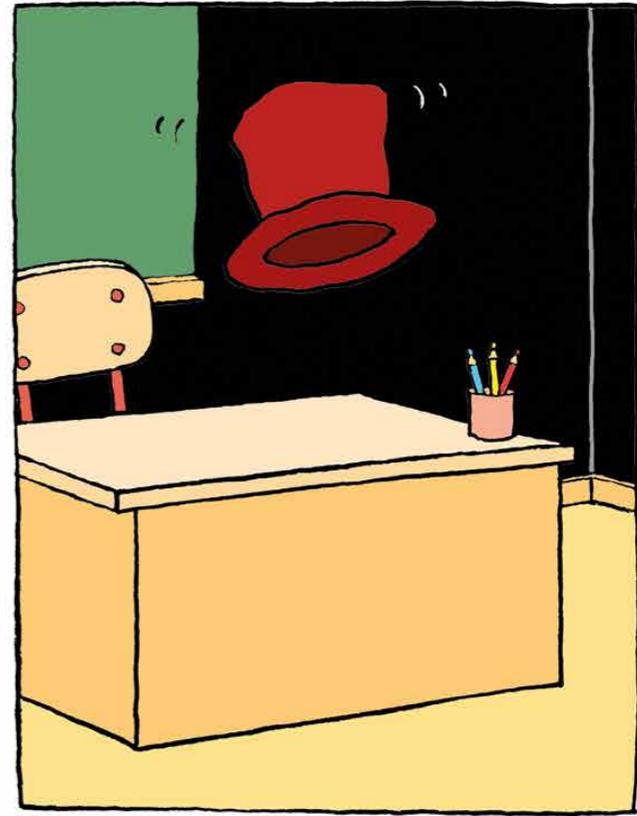

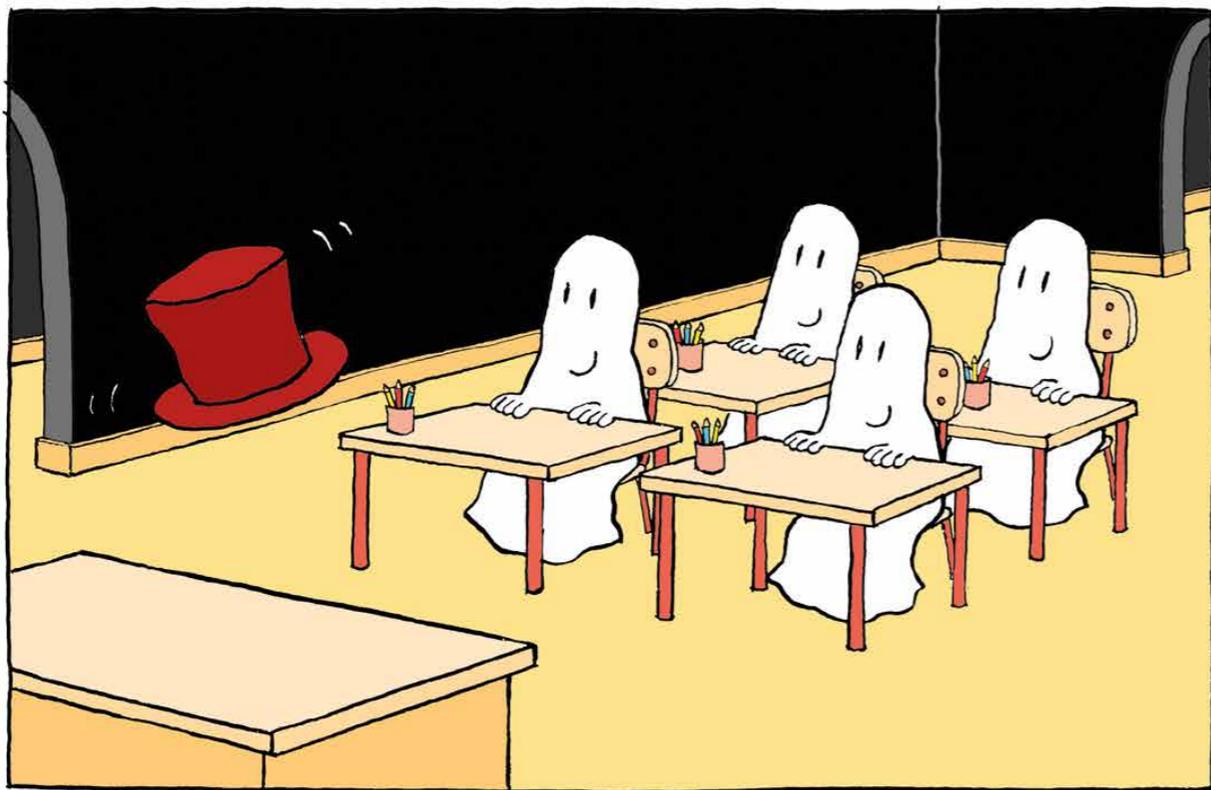

– Adesso vi insegnerò...

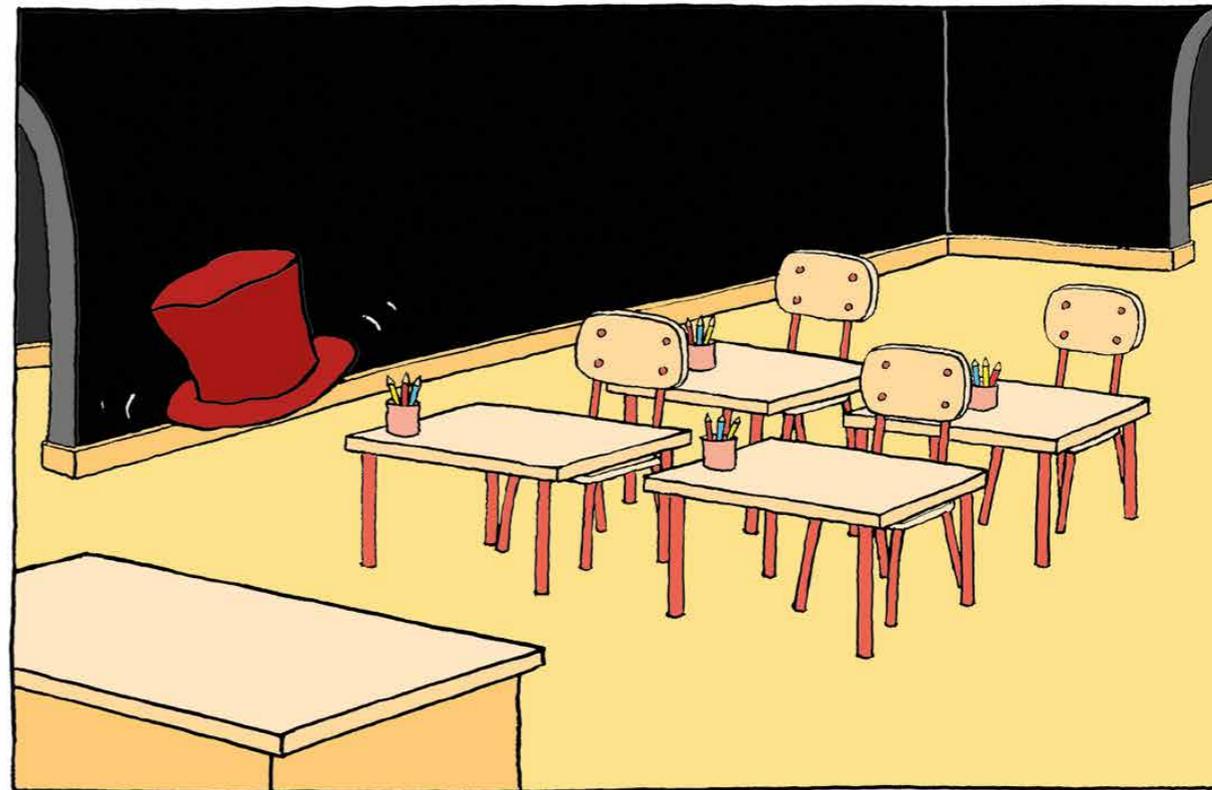

a diventare...

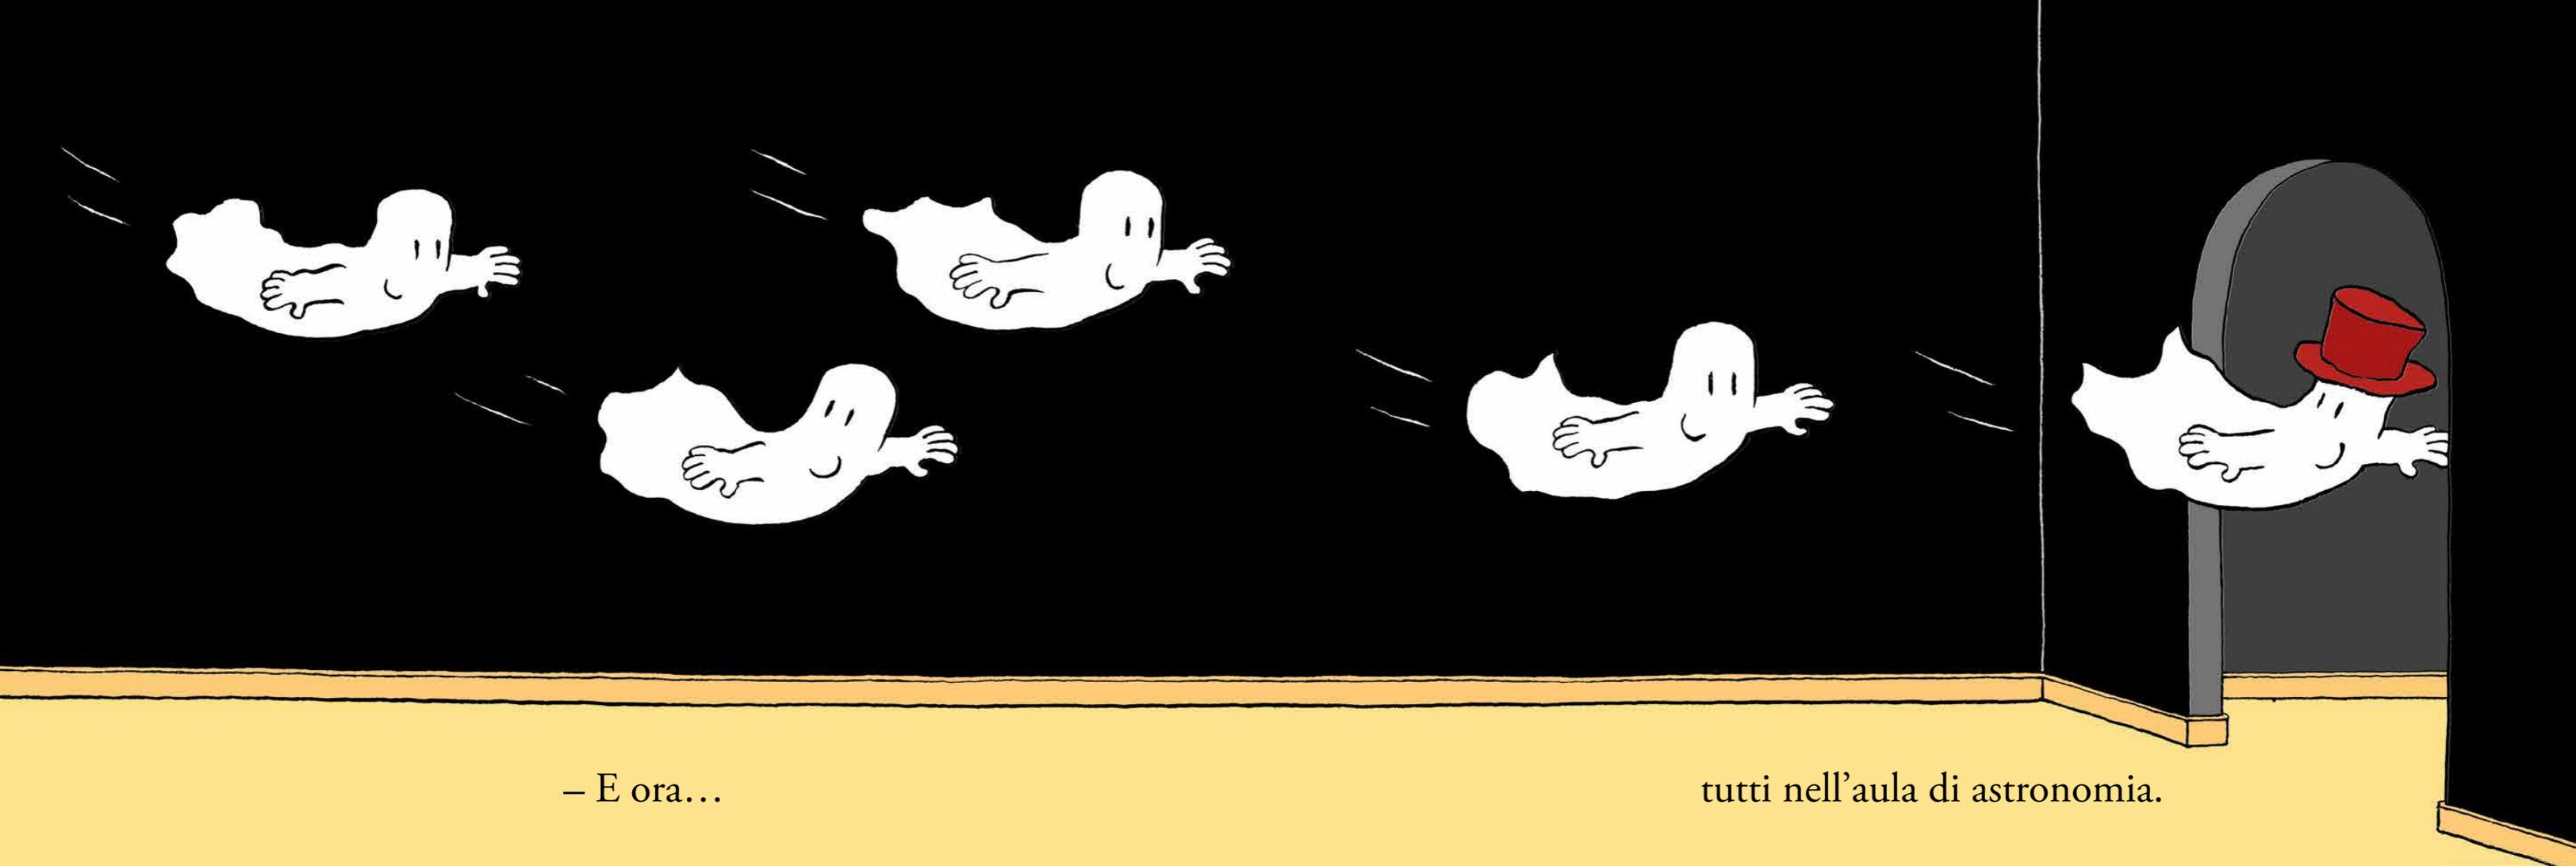

invisibili.

– È molto semplice. Contate fino a 10 in meno di un secondo.

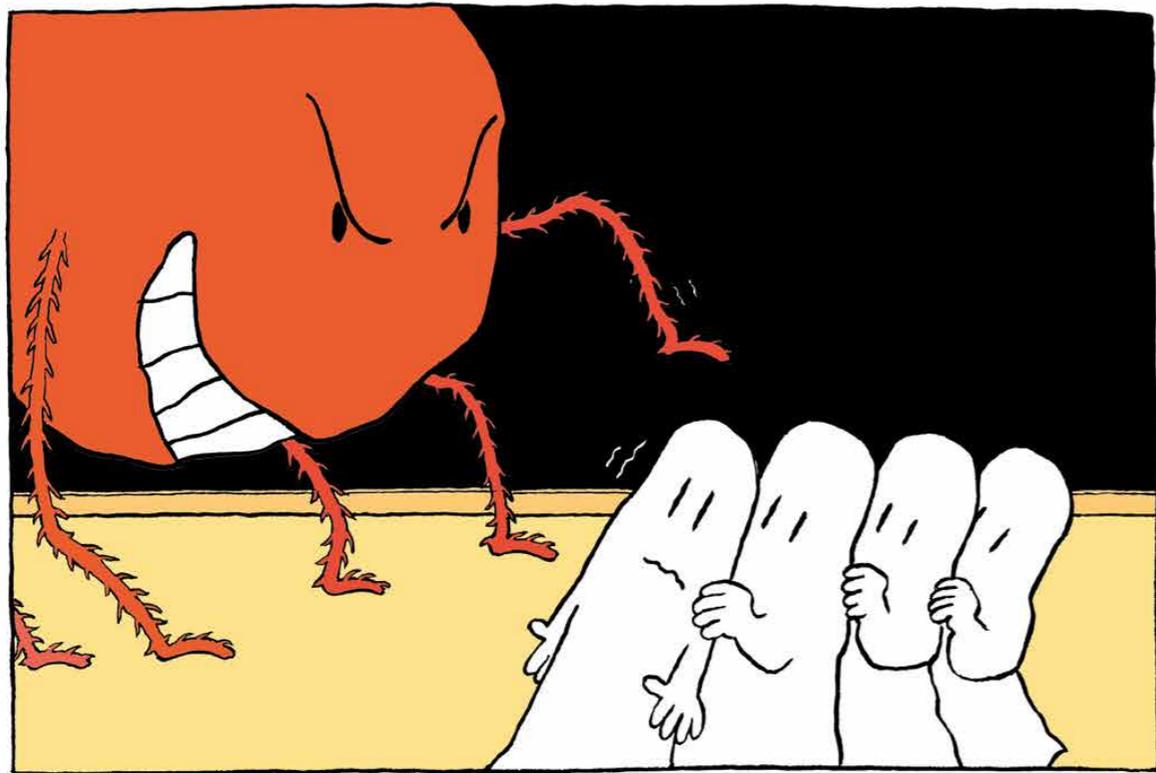

– Tocca a voi. Bravissimi!

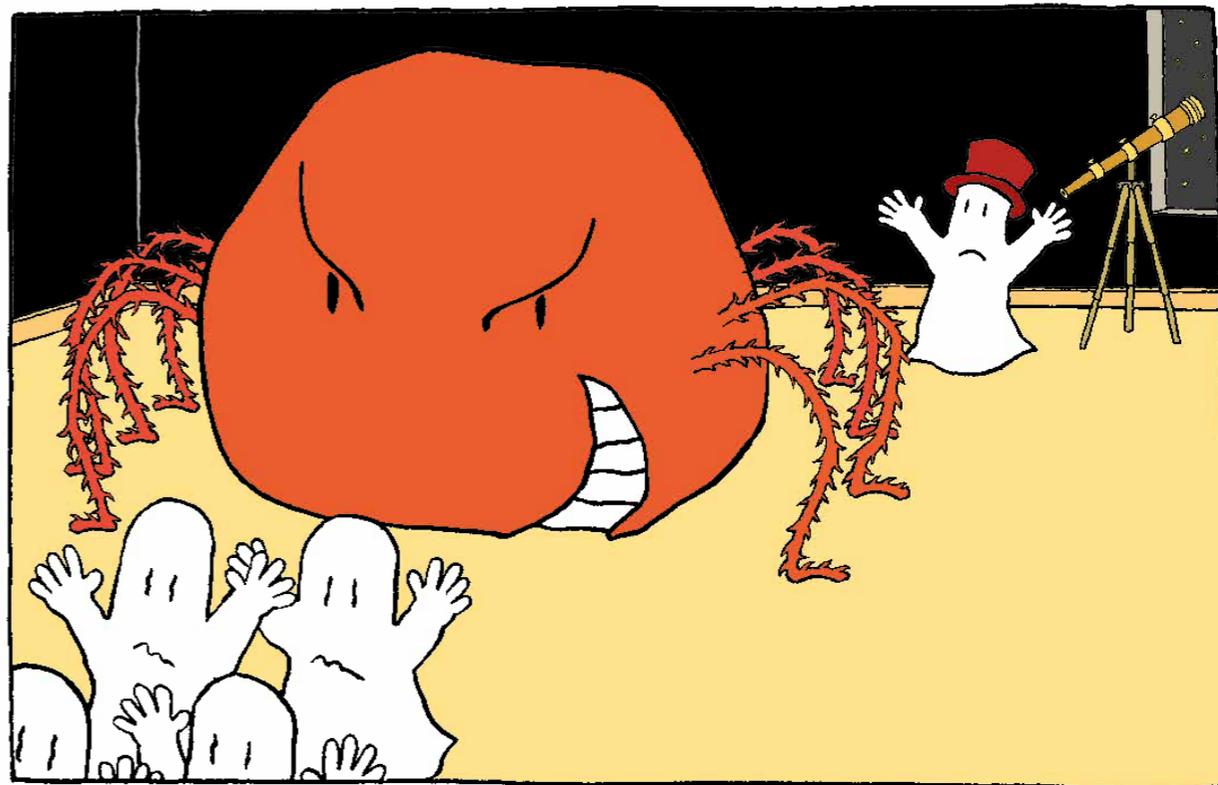

– E ora...

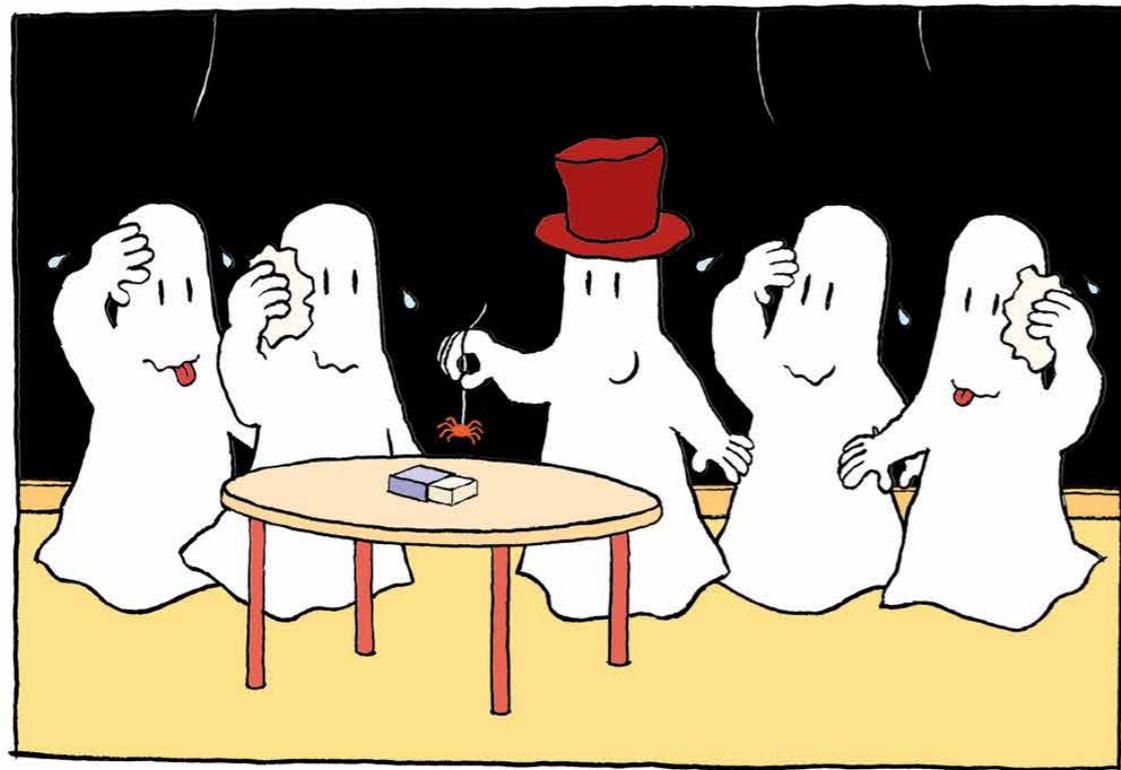

tutti nell'aula di astronomia.

– Aiuto! È Furfantella!
Deve aver bevuto un po' di concime.

– STOP!
Fermati e girati verso di me.

– Bello scherzo, Furfantella!
Su, ritorna nella tua scatolina...

– E ora, tutti a fare ricreazione!
